

Applying to remove a tree or hedge

If approval is required, your application will need:

- Your tree surgeon's recommendations
- A short report from a tree surgeon, on headed paper - including details of the location of the tree/hedge, species, height, faults and any proposed replacement species where appropriate. (We'll need this before we can proceed with your application)
- A photograph of the tree/hedge and a plan showing its position
- Details of replacement tree/s or hedge

After receiving all the information above, our Tree Specialist will make an inspection before we grant permission. This usually takes around three to four weeks

Privacy Policy:

The Heritage Advisory Team, part of Letchworth Garden City Heritage Foundation, will store your data securely in our data systems.

We will use your correspondence and/or email details that you have provided, in order to communicate with you in relation to your application.

If your ownership is under a Sub or Under Lease, we may consult your Head Lessee with regard to your application. There is a legal obligation to obtain consent from your Head Lessee.

We will store your data in order to create a historic record of Landlords Consent applications; this is a legal obligation. Proof of any Landlords Consent decisions will be required when a property changes hands or enfranchises (purchase the Freehold).

Why do you need our permission?

Letchworth Garden City has a Scheme of Management which means that trees or hedges normally require our approval before they are removed.

Approval is not required to top, lop, pollard or prune existing trees or hedges.

Some properties have similar requirements in their leases.

These controls help us to work with you, to protect the special character of the Garden City.

Approval may be required from North Hertfordshire District Council and we advise you to contact them before undertaking any alterations.
