TELL US WHAT YOU THINK ABOUT PROPOSALS FOR LG1- LAND NORTH OF LETCWORTH

Following our phase 1 consultation last year about your aspirations for the future of Letchworth, we have now launched our second phase of engagement. During this phase we are focusing attention on the largest housing sites which have been allocated for development in Letchworth included in the emerging North Herts District Council Local Plan. The biggest is land to the north of Letchworth (LG1).

We would like to know how you think this site can best meet the needs of the local community and what benefits you hope it can deliver for the whole town.

Although we are considering sites within the NHDC Local Plan, this consultation remains completely separate to any consultation run by the Council.

Please answer the questions on both sides of this card and then place in in the feedback box, or post this to us for free at a later time. You don't need a stamp to post the feedback to us.
