GIVE US YOUR VIEWS ON NEW HOMES IN LETCHWORTH

Following our phase 1 consultation last year about your aspirations about the future of Letchworth, we have now launched our second phase of consultation. During this phase we are focusing attention on the largest housing sites which have been allocated for development in Letchworth included in the emerging North Herts District Council Local Plan.

We would like to know how you think these sites can best meet the needs of the local community and what benefits you hope they can deliver for the whole town.

Although we are considering sites within the NHDC Local Plan, this consultation remains completely separate to any consultation run by the Council.

Please answer the questions on this card and then place in in the feedback box, or post this to us for free at a later time. You don't need a card to send us feedback.
