

**APPEAL AGAINST HF REFUSAL TO GRANT CONSENT FOR THE
CONSTRUCTION OF A HYDROTHERAPY POOL AT VENTERSDORP,
LETCWORTH GARDEN CITY**

**FURTHER RESPONSE WITHIN 7 DAY PERIOD FOLLOWING THE
INSPECTOR'S SITE VISIT ON 10 OCTOBER 2019**

The following is by way of confirmation of my referral to the Inspector at the site visit that the planting of a high Hornbeam hedge did not form part of the submitted scheme, rather the proposal was a specific response to the objection raised by Resident no 1 in their letter to NHDC dated 27 March 2018.

I commented to the Inspector that I respectfully requested the planting could be taken into account as part of the proposals, I hereby confirm that request.
