

Hearing aid battery postal service

If you require batteries, we can post your hearing aid batteries to you.

Please send written request stating clearly the size or colour of battery you need.

Enclose a stamp-addressed envelope. This will need to be a standard sized envelope with a Large 1st or Large 2nd class stamp or two ordinary stamps this is to cover the thickness of the batteries. Remember if you need your batteries urgently use a 1st class stamp.

1

Or 1

Or 2

Or 2

We will post it back to you the same day we receive it.
