Subject: 45 Haselfoot

Dear sirs

[REDACTED] would like to air [REDACTED] concerns over the amended plans to 45 Haselfoot

Firstly is the two new windows these cause concern because they will be looking into [REDACTED] bedroom window there for encroachment on [REDACTED] privacy. This is becoming a cause of anxiety and distress.

Secondly the length of 5 meters as shown on the Block plan GH/L/2/4 is not a true representation as this will come past [REDACTED] bungalow by 1 meter. This will spoil the open aspect of [REDACTED] rear garden.

These [REDACTED] believe will impact [REDACTED] quality of time in [REDACTED] secluded garden. These together will impact on the value of [REDACTED] property.
