Dear Sir/Madam,

Thank you for your letter informing [REDACTED] of the plans for extending number 20 Woolston Avenue by two extensions. [REDACTED] found the plans are very over powering on [REDACTED] side of the property over the garage by doubling the size (up wards) . [REDACTED] would find it would make a big difference to [REDACTED] light and found it over powering. [REDACTED] have lived here since the Houses were build. (35 years).

| would also like to speak to somebody in depth about this.
