Subject: New garage and frontage alterations at 81 Pasture Road, Letchworth Garden City

Dear Claire Pudney

█ refer to your letter of the 22nd June regarding the above request..

█ comments are as follows:

1 █ believe that the application is not substantially different from an earlier one which was refused. █ draw your attention to our comments made at that time.

2 In particular █ refer to the fact that owners are subject to a covenant not to develop in front of existing building line and this has always been complied with.

3 There is already an existing garage

4 In █ view the proposed development would be out of character with the existing frontage and adversely impact neighbouring properties.

Yours sincerely

█
