

# Solar PV Performance Estimate

## CUSTOMER & PROPERTY DETAILS

Name:	[REDACTED]	Phone	[REDACTED]
[REDACTED]	[REDACTED]	Lordship Lane	[REDACTED]
Postcode	SG6 2BH	Email:	[REDACTED]
Is your property listed?	no	Postcode zone:	1
Is your property in a conservation area?	no	Roof type:	Flat

## ROOF LAYOUT

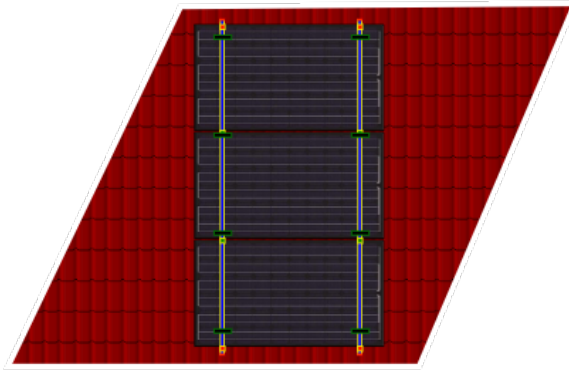

The Microgeneration Certification Scheme (MCS) requires us to provide to the customer a performance estimate based on the standard procedure set out in the Microgeneration Installer Standard for Solar Photovoltaic systems – MIS 3002.

Please find below roof diagrams, showing any obstructions (such as Velux windows, chimneys, vent pipes etc), and the layout of the proposed PV array.

### Flat South Rear Roof

## East Pitched Roof

## West Facing Side Roof
