STANDALONE FARM

Private Field Hire

Standalone Farm sits on acres of land, which offers the perfect opportunity for organisers to use our fields for large scale corporate/ private events.

Hire Includes:

Use of field or both fields during the agreed hire dates/ times

£1,000.00 per field per day +VAT

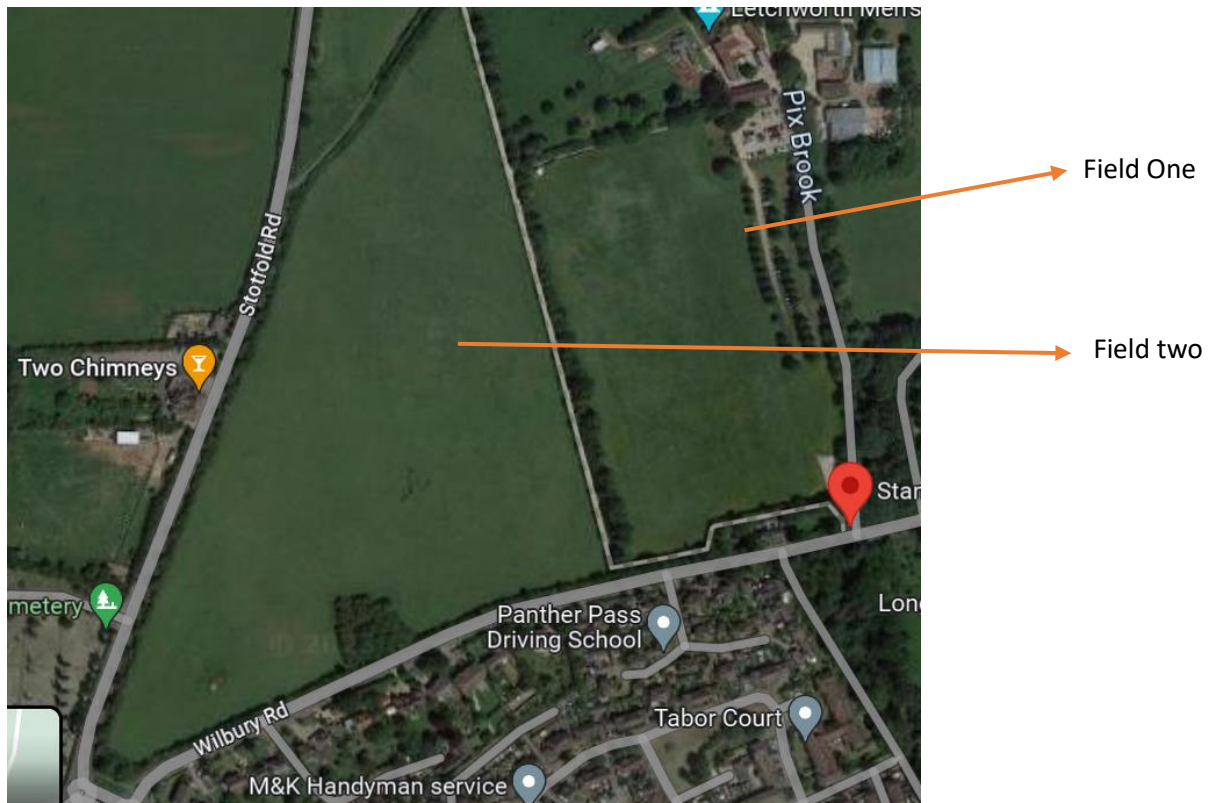

Important information

- These fields can only be hired during dry months between June and August & the weather must be dry for the event to go ahead.
- All events are a dry hire, all other requirements are up to organisers to arrange.
- For large scale public events, one field must be used as a car park
- We require PLI, signed T&C's and a signed contract for events, these will be made up based on your event requirements.

Field sizes

Field one- Next to Farm car park (Rectangle field)- 267m long by 125m wide/ 10 acres

Field two Up the track (Triangle field)- 396m, 580m long by 357m wide/ 24 acres

STANDALONE FARM

FAQ's Picnic Barn Hires

1). Is there any flexibility in earliest access to the Barn?

As we are open to the public from 10:00 until 17:00 most days the earliest access must be 4pm as we use the space as a picnic barn for our visitors during the day (this is subject to time of year, so may change depending on when you want to book).

2). Are we allowed to decorate the Barn?

You are more than welcome to bring some decorations but may not damaging the barn by screwing things to the wall or use any permanent fixtures. This is also listed in the T&C's.

3). Do you provide catering/ a bar?

All our Picnic Barn events are a dry hire basis, meaning that all food and drinks are to be provided by the hirer.

4). Can we hire the barn for a wedding reception?

Unfortunately, we are not setup to take any bookings for wedding celebrations at this time.

5). What's the latest that we can hire until?

You can hire the space until 00:00, but the event itself must finish by 23:00 due to licencing agreements.

6). Can we hire a DJ/ entertainer?

Yes, you are more than welcome to have some entertainment at your event but must provide us with their PLI certificate in advance of the event.

FAQ's Field Hire

1). When can the fields be hired?

The fields can be hired during the warm Summer months between June and August. (we cannot hire them outside of this time as the ground is very boggy and unsafe when its wet).

2). Are there any time restrictions to the hire?

No, the fields can be hired out to your agreed dates and times, as the fields don't affect the operations of the Farm, we can be more flexible. (This is subject to availability as well as livestock requirements).

3). Can the fields be hired out for large public events?

Yes, but you are required to use the second field as a car park, as this then doesn't affect the operations of the Farm. We also require a contract to be in place, as well as PLI's, a Risk Assessment as well as signed T&C's.

4). Can we bring catering vans?

Yes, you are welcome to hire in catering vans, but if your event is open to the public we require PLI for any caterers/ other additional contractors.
